PRO-GUN GROUP ENDORSES TIM HERBST

"I will hold the line against the extreme Malloy-Lamont agenda and veto measures that do nothing to improve the safety of Connecticut citizens while imposing significant burdens on law-abiding gun owners who simply want to live their lives," Herbst said.

TAKING ACTION

To Stop the Liberals' Extreme Anti-2nd Amendment Agenda

"CCDL looks for actions as opposed to words. When anti-gun, liberal activist Supreme Court Justice Andrew McDonald was nominated by Governor Malloy to become Chief Justice of the Supreme Court, **while the other gubernatorial candidates were silent, Tim Herbst led the charge in opposing McDonald's nomination.**

"As a gun owner himself, Tim has shown a working knowledge of the issues and positions that are important to Connecticut's law-abiding gun owners. **Our members can trust Tim to uphold the law and the Constitution.** In this critical election for the future of our state,

Tim is the right candidate with the proven record of leadership, vision and values to win in November and fight for our constitutional rights.

"We firmly believe that as Governor, Tim Herbst will be a leader in protecting the rights of law-abiding gun owners. CCDL is proud to endorse Tim Herbst to be the next Governor of the State of Connecticut."

- Scott Wilson, President, Connecticut Citizens Defense League
